AROUND the TOWNSHIP

Ole Hen Noonsummer thinks the Guv. might as well never appoint a new supervisor. He says we're getting along all right without one and probably saving a heap of money by it.

* * * *

We note where Mizz Attinger has a new automobile. She's doubtful about letting her husband drive it but she says he can grease it up once in a while at his service station if he wants to and she won't charge him nothin' for the privilege.

* * *

A bunch of gypsies—at least they were dirty enough to be gypsies—drove up behind Dan Marble's service station Tuesday and pitched camp.

The Irvington boys were kind of put out last week when they saw the map on the advertisement for Adobe Acres. The map mentioned every town in these parts but Irvington. If they look at this week's ad, they'll see that the advertisers have rectified the error at no small cost to themselves.

Falling plaster and falling bricks in defective chimneys may threaten to close public schools but failing storks to sit on other chimneys is threatening a more serious damage, according to an Associated Press dispatch from Washington. D. C. The office of education states that a falling birth rate brought in 1936 the first decline of public school enrollments in the Nation's history. An estimate showed 130,000 fewer children were enrolled last Fall than the 26,434,193 in grade and high schools two years ago.

Apricot Prospects

E. R. Cottle, at the meeting of the Berryessa Prune and Apricot Association last Tuesday night, stated that prospects for the apricot crop in California for 1937 was about equal to the 1936 crop. A shortage of about one quarter in this section of the state was offset by a heavy crop in Southern California and about Brentwood. The outlook is for a very light crop of prunes; not any greater than in 1936. Official government estimates will appear next week.

Manuel Alameda, George Lowrie and Manuel Oliveira were reelected as directors of the Berryessa Prune and Apricot Association by the sixty growers present. R. L. Mitchell, secretary, reported that the Association had held its membership steady, with increase in acreage, withdrawals just balancing new memberships. Withdrawals were mostly those members who had taken out their orchards. Receipts of prunes and apricots during 1936 were within two tons of being equal in volcme, in each case being 630 tons.

A Good First Crop

Everyone who feels like Maud Muller and wants to see big first cutting of alfalfa and plenty of it, should take a swing around the Heath Ranch. This ranch, leased by Orloff and Hansen, and managed by Bill Benbow has a magnificent lot of hay shocked up in a number of fields. Some of this land is reclaimed bay and is a distinct peat soil, and some is a deep black clay loam, but it all has turned out a fine crop. Washington Township is a real dairy country both in production of feed and of milk.

Prosperity

The early pea deal turned out to be quite a flop, what with very light crop and disappointing prices. There are quite a few mid-season

Toyon Branch Garden Party To Be Saturday

NILES—Several new features have been announced for the twelfth annual garden party to be given by Toyon Branch of the Children's Hospital of the Eastbay to be held at the home of Mr. and Mrs. J. C. Shinn on the Niles-Centerville road on Saturday, May 15. Committees were named at a meeting of the branch at the Shinn home Monday afternoon. Miss Elizabeth Shinn is general chairman for the day.

Luncheon will be served at noon and the menu will include baked ham and home-made rolls. There will be special attractions for the children and the public is invited. Fortune tellers, pony rides, fish pond, mystery table, home-made candy, home-cooked food, ice cream, etc., will be among the attractions of the day.

A special exhibition tennis match at 3 o'clock in the afternoon will follow a program of entertainment during which there will be music and dancing. There is no admission and the public is invited.

The following committees were named by Mrs. James R. Whipple, chairman of the branch: Luncheon, Mrs. Julia Shinn, Mrs. Joe Shinn, Jr., Mrs. Rosalie Donovan and Mrs. Walter Robie; candy, Misses Gallegos, Mrs. Douglas Cushman and Mrs. W. D. Patterson; fish pond, Mrs. J. E. Townsend and Miss Lorraine Smith; program, Mrs. J. C. Shinn and Mrs. Gladys Williamson; flowers and plants, Mrs. E. G. Dawson, Misses Patty and Cecil Harrold and Mrs. Lawrence Bunting, Jr., home-cooked food table, Mrs. Anna Sladek and Miss Mildred Nauert; cashier, Mrs. August May; table decorations, Mrs. Geo. C. Roeding, Jr., and Mrs. Lawrence Bunting, Sr.; white elephants, Mrs. George Sladek, Mrs. C. Dana and Mrs. Gladys Williamson; ice cream Mrs. T. D. Witherly and Mrs. Chas. Whipple; posters, Miss Lorraine Smith.

IRVINGTON PARTY TO BE DIFFERENT

IRVINGTON — The Irvington Junior Chamber of Commerce once again is rising to higher and greater things with its announcement this week of a totally new idea in local entertainment.

A grand carnival on wheels—roller skates—is the new scheme, set for Wednesday night, May 12 at Maple hall.

High light of the evening's entertainment will be a battle of the sexes—a hockey game between a girls' team and a boys' team.

J. R. Silveira, chairman de luxe, of most of the junior chamber's entertainments, is planning details of the program with a corps of able assistants.

"In addition to the hockey, says Silveira, there will be boxing, wrestling and a skating race.

Novelty hats and noisemakers will add to the general gaiety of the occasion.

The hockey teams, Joe announces will be as follows:

Girls: Adeline Amaral, Margery Trenouth, Lillian Jorgensen, Evelyn Pond, Dorothy Amaral, Rosetta Clark, Agnes Raymond and Dorothy Ramsell.

Boys: Leroy Raymond, Chris Gomes, Gene Ramsell, Seraphine Bettencourt, jr., Ray Allender, Frank Silva, Millard Van Ike and Donald Silveira.

Boxers will be: Chris Gomes, Seraphine Bettencourt, jr. Joe Brandeau and Millard Van Ike.

Wrestlers will be Gene (Tiger) Boyce and Frank (Killer) Phippen.

Racers will be Gene Ramsell, Lyle Fisher, Seraphine Bettencourt jr., Ray Allender, Eddie Rose, Daniel Rose Gene Boyce, Chris Gomes, Al Silveira and Leroy Raymond.

"Come one, Come All" say junior chamber members.

Olson Builds New Post Office For Decoto

DECOTO—A new post office building is being provided in Decoto by J. L. Olson, construction having started this week. Postmaster Mary Janeiro received authorization on Monday to move the post office from its present quarters in the Olson store to the new building which will be located on 10th street between J. and I. streets.

The building will be 30 by 30 ft., constructed of brick with tar and gravel roof and finished inside with wood panels. It will be entirely modern with gas heat. The post office department will be 30 by 15 feet., and occupancy of the other store will be announced later. A. L. Costa of Decoto is the contractor.

Olson recently built a new building for the telephone exchange when the new automatic dial system was installed.

JUNIOR TO AID NURSERY

NILES—The Niles Junior Chamber of Commerce went on record at its dinner meeting at the Florence Restaurant Monday night pledging support to George C. Roeding, Jr., president of the California Nursery Company in his promotion of "Adobe Acres", a new real estate sub-division adjacent to the nursery grounds. The value of this development to the town was stressed by several speakers.

The secretary, Dick Attinger, was instructed to contact officers of the S. E. S. Holy Ghost organization and offer the cooperation of the chamber in the fiesta program.

Addison Richmond reported on the recent Boy Scout camporette held at the high school grounds and stated that one of the Niles patrols had won first place. The sum of $10 was voted to the scouts to buy materials to make equipment needed for the Oakland camporee to be held May 15 and 16. President Lawrence Sharpe asked for contributions to the scout financial campaign now in progress. All contributions may be made to Sharpe or to Harvey Braun representing the senior chamber.

Charles Champion and Frank Mellow were appointed to arrange for a Niles float in the Hayward rodeo parade on May 22 and 23.

HIGH SCHOOL EVENTS START MAY 7

CENTERVILLE—The following calendar of events has been announced for students of Washington Union High School:

May 7—Junior Prom.

May 14—Home-making Assembly.

May 21—Girls' League Farewell.

May 20-21—Senior play.

May 28—Installation of Student-Body officers.

June 2—Senior breakfast.

June 3—Graduation.

June 4—Senior ball.

CUBS TO HAVE FIRST MEETING

NILES—The first meeting of the Niles Cub pack will be held at the Boy Scout House next Wednesday night from 7 to 8 o'clock, according to announcement made by Cubmaster Dick Attinger. All boys of Niles of the ages of 9, 10 and 11 years are invited to join.

Final plans for the cub organization were made at a meeting held at the Niles Grammar School Wednesday night. Mrs. C. H. Franklin, president of the P.- T. A., opened the meeting and turned it over to Frank Silva, chairman of the cub committee. Speakers included Milton Bruding and Chester Weaver of the Oakland rub commission.

Members of the local cub committee are Frank Silva, Ray Peterson, Ray DeVine, F. P. George, L. Mohn, E. D. Bristow, W. T. Lindsay and Dick Attinger.

MOTHER'S DAY SERVICES SUNDAY

NILES—There will be a specia Mother's Day service at the Congregational Church, Sunday May 9 at 11:00 o'clock. Good music and an address by the minister on—

"Honor To Whom Is Due."

We cordially invite the families of the community to join us in showing our regard for the day and for Motherhood which it is set to honor.

FRED NELSON WEDS MONDAY

NILES—Mrs. Margaret Marshall, formerly a nurse at the Masonic Home in Decoto, became the bride of Fred Nelson, prominent Niles business man, at a quiet ceremony performed at the home of Dr. Harold Kamp of Oakland Monday morning at 11 o'clock. The couple will spend a honeymoon in San Francisco and after an auto trip down th coast will be at home to their friends at their home on Second street after May 15.

Mr. Nelson has resided in this community for the past 23 years where he has conducted a fuel and cold storage business. Mrs. Nelson is the mother of John Marshall, foreman of the state fish hatchery at Brookdale. The marriage is the outgrowth of friendship of long standing and the couple upon their return home will receive congratulations and best wishes from a wide circle of friends in this vicinity:

PEA PICKING UNDER WAY

Southern Alameda County's pea-picking season is underway. It is estimated that 1,085 persons are employed at this labor, additional numbers to be employed if prices increase. Call for pickers are being handled by the unemployed of the county according to Agent Walter Gamman in charge of the recently established Hayward bureau of the California State Employment Service at 934 C street, Hayward.

Sixteen permanent camps have been established and have been inspected by Inspector Harry Bliss of the county health department and Deputy L. A. Purdy of the Hayward sheriff's office substation. The camps contain 27 newly-erected cabins as well as 191 tents. Pickers are being paid 2g and 30 cents per hamper and growers are "breaking even". Cold weather has delayed and damaged the crops somewhat states County Farm Adviser T. O. Morrison.

EXTRA!

CHAMBER BACKS BOND ISSUE

NILES—The Niles Chamber of Commerce went on record at its meeting Monday to endorse the $100,000 bond issue for a new grammar school building in Niles. The motion to endorse the project was made by E. A. Ellsworth and seconded by F. V. Jones.

C. W. Kraft, presiding in the absence of President W. B. Kirk who was called from the meeting, urped all members of the chamber to do as much personal work as possible in urging voters to support the bond issue when the election is held on May 18. The polls at the grammar school will be open from noon to 7 o'clock.

The school situation was presented to the chamber by Ben Murphy and Joe Gomes, members of the board of trustees. They stressed the need for repairs to make the building less hazardous in case of earthquake and because of termite damage. One of the board members stated that unless the board were relieved of the responsibility of injury to pupils due to the present condition of the school, he would resign.

E. D. Bristow, principal, stated that the building, even though it could be made safe, was inadequate for present and future needs of the community. "We may never have a serious earthquake but we know that the damage from termites produces a hazardous condition that is steadily growing worse", he said.

It is estimated that repairs to the building would cost 70 per cent of the amount of a new building.

CENTERVILLE-KRAFTILE SOFT BALL GAME

NILES—A walk received by Don Rose, followed by De Valle's hit and J. Brown's outfield fly, scored two runs for Centerville in the last of the 7th inning and spelled defeat for the Kraftile soft ball team, after a spirited game at Centerville April 29.

The game was tight throughout and was featured by the hitting of Dyer and the fielding of LeConte at first base for the Kraftiles, and the fielding of J. Brown of Centerville. Burr's triple in the fifth inning put the Kraftilers in the lead g to 4 until De Valle wrecked their hopes by driving in the tying run and scoring the winning run in the 7th.

Score	R	H	E
Kraftile	5	10	3
Centerville	6	8	0

NORRIS LEVIES $100 FINE

DECOTO—Rosendo Rijo of Decoto was fined $100 by Judge Allen G. Norris at the Centerville justice court Monday on a charge of drunk driving. Rojo was said to have crashed into another car on the highway Sunday and to have had no operator's license.

POSTMASTERS TO MEET AT LIVERMORE

The Alameda County Postmasters Association will meet at Livermore on the third Wednesday of May with William R. McKinnon as host.

NILES—Fifteen Niles grammar school children were instantly killed and 21 others were perhaps fatally injured today when the floor of the school's assembly hall gave way during the morning assembly hour and crashed into the basement.

State and county police are searching the wreckage for bodies.

A score of children are suffering from broken limbs, cuts and bruises which will not prove fatal.

Rotten floors and foundations, resulting from the inroads of termites and 20 years of use without adequate replacements are the direct causes of the tragedy, school authorities declare.

Although school trustees many times have warned district residents of the dangerous condition of the building, expenditures for a new building repeatedly have been voted down.

Damage suits against the district by bereaved families are expected to run into thousands of dollars.

The above story did not happen.

But it might well happen tomorrow, next week or next year unless the Niles school district does something immediately about its old building.

The present building is rotten.

Principal Bristow grits his teeth and holds his breath every time he has to call an assembly.

It has been years since all the students have met in assembly at one time. Two or three assemblies are necessary to take care of the present enrollment.

Plaster is dropping from the walls. The wire lathing is rusted through.

The school's bell cupola is unstable.

People who know the condition of the building shudder to think what would happen if there should be an earthquake in this district.

Present school board trustees have called for a vote on a $100,000 bond issue.

The election will be on May 18—one week from next

Much Interest Shown In Adobe Acres Tract

In commenting today on the interest being shown in "Adobe Acres", Niles' de luxe new home tract, George C. Roeding, Jr., President of the California Nursery Co., said that visitors are most impressed by the opportunity to have a farm home with ample grounds at a moderate price which includes both landscape plans and materials as well as architect's services.

Adobe Acres was first opened for sale to the public last week. Located one-half mile from Niles on the Decoto Highway, it is adjacent to a large section of the Nursery Show Gardens which Mr. Roeding plans to convert into one of America's outstanding botannical parks for public education and enjoyment. Space is provided for 52 farm homes in Adobe Acres with lots averaging one-half acre in size. Ample yard space is thus provided for an "Outdoor Living Room", "Family Orchard", or for children to play. Included in the project is a completely equipped Children's Playground.

Street plantings, parking strips, accent-effects at principal street intersections, and a general enclosing screen planting to provide desired effect of privacy for home owners is being constructed by the Landscape Department of the California Nursery Co. Home owners will receive a landscape plan including garden materials and construction without additional cost. With Mr. Frederick H. Reimers, well-known S. F. architect, and Mr. E. E. Dias, Contractor of Niles, at the service of all buyers, Adobe Acres is certain to attract widespread interest for its architectural and horticultural beauty.

Home owners in Adobe Acres will also enjoy a Tennis Court and Adult Recreational center soon to be under construction near the Children's Playground. As soon as sufficient sales have been made to permit its formation, a civic organization made up of property owners in the tract, the "Adobe Acres Homes Association", will take over the actual ownership of these two features from the Nursery.

As a special inducement to encourage immediate building, an average saving of five hundred dollars, based on a building investment of thirty-five hundred dollars, is being offered the first five buyers to start construction in Adobe Acres. With prices of half acre lots around $600, the subdividers point out that those who take advantage of this offer will get their land almost without charge. As a part of the Nursery Show Gardens and the new Botannical Park which it adjoins, Adobe Acres buyers will find their modest investment protected by rising values which follow such an extensive improvement program.

Mr. Roeding said today that Adobe Acres has been planned as an actual demonstration of just can be done on a small investment in creating the ideal rural or subrrban home when careful attention is given to details that contribute to pelasant family life.

SWING MUSIC COMING TO GARDEN

NILES—Swing music will be the feature of the Sports dance planned for next Saturday night by Arnold Bellini and his colleagues at the Garden of Anah ball room.

Bellini has had so many demands for hot dance music that he is scheduling a return engagement of the orchestra which has proved such an attraction at the Garden in the past.

A good crowd is anticipated.

SOCIETY ELECTS OFFICERS FOR CHARITY WORK

NILES—At the first meeting of the newly organized Corpus Christi Parish, Niles, Branch of the St. Vincent de Paul Society, held Friday evening, April 30 the following officers were elected: Mr. Ray Peterson, president; Mr. Frank Duarte, vice president; Mr. Lawrence Avila, treasurer; Mr. L. A. Mayer, secretary. Associate members are the Hon. J. A. Silva, Neil Hunter, Ben Murphy, and Barney Bragg.

At the invitation of the pastor, Rev. Francis F. McCarthy, Mr. Edward Jones and Mr. E. J. Wren, president and secretary respectively of the Archdiocesan Council of the St. Vincent de Paul Society addressed the new Branch and conducted its inauguration.

Niles is a railroad junction, and besides giving food, clothing and help to the local destitute the new branch will be called upon to extend relief to the larpe number of transients who disembark from the many freight trains that lay over at the junction.

Father McCarthy experimented this past winter with a wood-yard where the transient was given a twenty-five cent meal ticket on a local restaurant in exchange for an hour of work sawing and chopping wood. The device rid the town of the unworthy who refused to work, and at the same time saved the self respect of the hungry who could not otherwise find work. The management of the wood-yard will be one of the charitable activities of the new branch of teh St. Vincent de Paul Society.

A class of little children of Niles received their First Holy Communion last Sunday at Corpus Christi Church. The Decoto class of candidates will receive their First Holy Communion at Our Lady of the Rosary Church, Decoto next Sunday at the half past eight o'clock mass.

At the ten o'clock mass at Corpus Christi Church, Niles next Sunday, Mothers' Day, the children of the parish following a procession will conduct the ceremony of the crowning of the Blessed Virgin—Queen of May. The same ceremony will take place in Decoto on the following Sunday.

MISS CUNHA WEDS H. F. WALLACE AT FRESNO

DECOTO—Miss Florence Cunha, organist for the Decoto Catholic church became the bride of H. F. Wallace of Decoto at a ceremony performed at Fresno recently. The couple will make their home here on Railroad Avenue. The groom is employed on the Bailey ranch.

The bride is the daughter of Mr. and Mrs. Marcelino Cunha. She is a graduate of Washington Union High School. Attending the couple at the nuptial ceremony were Miss Eloise Silva, maid of honor, and Ward Ireland, best man. The groom was formerly of Missouri.

Country Club Elects Officers And Honors Mrs. Whipple

CENTERVILLE — With Past President, Mrs. R. L. Pond as installing officer, the officers of the Country Club of Washington Township were seated at the meeting on Tuesday, May 4. With the exception of Mrs. J. V. Goold, who was elected treasurer after filling the vacancy occasioned by the resignation of Mrs. John Lowman, and Mrs. Paul Dougherty as the new Director, the list for 1937-1938 remains the same. Mrs. C. E. Martenstein, president, Mrs. Geo. Coit, vice president, Mrs. A. J. Petsche, secretary, Mrs. Franklin Brown financial secretary and Mrs. A. A. Match and Mrs. L. S. Williams, Directors were re-elected to complete a two year term of office.

Mrs. E. A. Ellsworth opened the meeting with a brief history of the origin of the flag and led the salute to the new flag recently added to the Club equipment.

Mrs. T. N. Alexander, Mrs. E. A. Ellsworth and Mrs. Roland Bendel gave interesting accounts of the Recent District Convention in Berkeley, at which two members of the local Club, Mrs. F. T. Dusterberry and Mrs. Roland Bendel were chosen to fill the respective offices of second vice president and auditor.

Annual reports of officers and chairmen of standing committees were given.

Mrs. J. R. Whipple responded to the honor conferred upon her by the Club in placing her name on the State Roll of Honor in a graciius speech of acceptance.

Miss Sophis Swanson, of Oakland, graduate of Washington Union High School accompanied by Mrs. H. M. Kibby sang three lovely solos, My Hero, Forgotten and Bon jour, Ma Belle.

The president, Mrs. Martenstein, presented the new members of the year and the afternoon was concluded with a Tea in their honor.

The June program will be arranged by Mrs. A. G. Norris, Mrs. F. V. Jones and Mrs. A. Logan.

Hostesses for the afternoon were Mrs. Loren Marriott, Mrs. George Emerson, Mrs. Joe Adams, Mrs. G. T. Hygelund and Mrs. R. T. Anderson.

GUEST EDITORIAL

By Marjorie Moore

You wouldn't think that the crowning of a king in England would affect the way that you and I wear our hair here in Niles, now would you? But to what else do we owe the new hair styles? Even the young girls are beginning to do their hair "in the grand manner", upward sweeping lines, majestic puffs and (shades of our great aunt!) pompadours.

most a necessity, from the combs and flowers and fancy pins of day time wear to the three feathers, bandeaus and aigrettes of the formal costume.

Yes, and this coronation idea is carried out even farther. The very latest fad in jewelled clips is to have them shaped like very small crowns or trumpets. And the glittering tiaras for evening wear are as near as possible to the coronets worn by the real peeresses at the Queen's coronation.

An American interpretation of the "regal hair dress" has puffs rising from the hair line on both sides of the face and the bang is made into a double whirl over the forehead. Two puffs spread out from the center part into a wing effect across the back of the head and the short ends roll under the nape of the neck.

Even the children are affected by this coronation craze and the princess permanant has been invented for the grammar school and junior high school girl. Children are born imitators. A little girl loves to play ,pretend she's a movie star, and so act, to dress in Mother's clothes on. But just now her thoughts are captured by those two little princesses, Elizabeth and Margaret Rose. Nothing is more dramatic than the story of their rise to prominence. And the idea of having her hair waved and dressed to look like that of a princess appeals to any little girl.

This princess wave is based on photographs showing the way Elizabeth wears her hair,--parted at the side, flat waves at the top and back, and soft ringlets over the ears, always with some kind of bandeau. A ribbon will do for school or play but this must be changed to a coronet of fresh flowers for parties or graduation exercises.

But the older women. The matrons have not been forgotten in these new style trends. Many of the most flattering coiffures have been designed especially for them. One, called "Symphony in Silver" has the white haired woman in mind. and is becoming to almost all types of faces, with its soft rolls and ringlets at the sides.

For those who wish a practical day time hair dress, the "Business Woman" is neat, smart and becoming. There are soft, lovely waves coming across the head diagonally, with nothing to interrupt them except a few puffs at the ears. This effect is youthful without the artificiality of trying to look young.

Beauty has no age limit today, and as far as being well groomed is concerned, the modern matron is not only as interested as her daughters and nieces, she is as interesting as well.

PTA NOTES

CENTERVILLE— The Parent-Teacher association of the Centerville grammar school held its regular meeting Tuesday afternoon at 2:30. The school library was beautiful with the rose colored sweet peas and the other garden flowers used in decoration.

Mrs. Loren Marriott presided at the business meeting. Mrs. Ebright the health nurse, was present and arrangements were made for the pre-school examination to be held the latter part of May. This is sponsored each year by the P.-T. A. Mrs. Ebright will have a doctor at the school and the parents of children who will enter school next year will bring them for their physical examinations. The definite date will be set later.

Plans were made for the next meeting. Since this is the last of the year, it was decided to make it a card party. Each member has agreed to furnish a prize and they each have the privilege of inviting one guest. Refreshments will be served after the game.

There was no set program after the business meeting, for this was open house day at the school and the members took advantage of the opportunity to see the exhibit of the students' work which was on display. Refreshments were served by the faculty and students, the visitors to the exhibit, as well as the P.-T. A. members enjoying them.

3530 Citizens
Ask the State to Keep Its Word

¶ In accordance with California law, the builders of the Carquinez and Antioch Bridges obtained legal franchises from the County on the left bank of the stream, representing the two counties to be connected.

¶ These county franchises gave us full authority to erect and maintain the two toll bridges until 1948, WHEN THE PROPERTIES AUTOMATICALLY REVERT TO PUBLIC OWNERSHIP.

¶ The State Legislature ratified these franchises four years later... AFTER THE BRIDGES WERE BUILT AND THE ENTIRE COSTS OF THE PIONEER ENTERPRISE WERE KNOWN... and the Governor signed the ratification.

¶ We who invested in these bridges did so with the understanding that California's law was binding and its word was good. But now it is proposed to ignore the State's solemn pledge, take over the bridges and maintain them out of the gasoline tax funds paid by all the people... instead of from tolls paid by the users, as the franchises provided.

¶ We urge those who believe in the sanctity of contracts and those who oppose the needless diversion of gasoline tax funds to WRITE YOUR REPRESENTATIVES AT SACRAMENTO against this proposal.

Let California Keep Faith!

Niles School Building In Dangerous Condition

Continued from page 1

Tuesday.

The trustees don't want to be responsible for the present condition of the school. They are heartily in favor of a new building.

If the voters defeat the bond issue, the probabilities are that the directors will resign.

No one could blame them.

It would be difficult to find anyone to serve in their places.

As the situation now stands, the Niles school building is far below the state's requirements for safety.

If the bond issue is defeated there is the possibility that the state will condemn the building and close it.

Then Niles will be without a grammar school.

A tax of 35 cents on the $100 is all that is necessary to finance the school bond issue.

In simple terms this means that the average property owner, who owns his own house and lot with a market value of about $4000, will have to pay only $5 a year.

Many people who send their children to the Niles school own no property and will have nothing at all to pay by voting for the school bonds.

Even with all these arguments in favor of the issue, the vote is likely to go against it unless thoughtful residents make an effort to remember the date and show up at the polls.

MRS. RATHBONE HOSTESS TO WELFARE CLUB

CENTERVILLE— Mrs. A. J. Rathbone was hostess to members of Centerville Welfare Club No. 1 at her home recently. Guests were Mrs. Bernice Ellis and Miss Beatrice Arthur, social workers. Fifteen were present. The next meeting will be a luncheon at the home of Mrs. E. A. Ellsworth to which all old members will be invited.

2 SOAP BOX DERBIES DUE

OAKLAND—There will be two Northern California editions of the All-American Soap Box Derby in 1937, one in San Francisco and one in Oakland, it was learned today at Chevrolet Motor division offices here. The winner of the competitions wil be sent to the national event at Akron, Ohio, to compete against boy champions from practically every state in the union and from Hawaii, Mexico, Canada and South Africa. Here are the preliminary facts prepared for the information of prospective entrants from all parts of Northern California.

The All-American Soap Box Derby took firm in the mind of Myron E. Scott, a newspaper photographer in Dayton, Ohio, early in 1933 when he came across a group of young boys scooting down a Dayton hill in home-made miniature automobiles.

Scott took his idea to his managing editor and the newspaper sponsored the first derby several weeks later. The success of the venture resulted in Scott taking his idea to Chevrolet and the automobile firm has been sponsoring contests on a nation-wide basis ever since.

One of the greatest crowds in the history of amateur sport is expected to attend the finals this year. A national radio hookup will carry the drama of the event to all parts of the country. Any boy between the ages of nine and fifteen may enter. The rules state that each boy must design and build his own racer and that no car may cost more than $10. All cars must be gravity powered. The boy racer may seek the advice of grownups but he must put the car together by himself. At the finals, each car will be weighed and checked for conformance to the rules and pits wil be set up to aid the boys in making last minute repairs.

MRS. HUMPHREY GOES TO HOSPITAL

Mrs. James Humphrey was taken to the University hospital in San Francisco on Friday.

CROWD ATTENDS LEGION MEET

NILES—Approximately 200 attended the 10th district meeting of the American Legion and the Auxiliary at the Niles Veterans Memorial Building last week. Three matters of importance were considered, the fixing of the date for the sale of poppies, the organization of a commission which will handle all permanent business of the district and endorsement of legislation asking for better veterans' facilities at Yountville.

Carl Nystrom, commander of the 10th district presided at the Legion meeting and Mrs. Lydia Sylvia, district Auxiliary president at the ladies' meeting. After the business sessions there was a joint social hour at which local Legion and Auxiliary members entertained and served refreshments.

Due to conflict regarding the sale of poppies by the Legion and the Veterans of Foreign Wars, a resolution was passed asking that city and county ordinances be passed setting a specific date for these sales. It was pointed out that the tissue paper poppy sold by the Legion was made by veterans who received a certain part of its sale price for their labor as well as from the indirect benefits resulting from the poppy sales.

At the next meeting of the district on the third Wednesday of May, the East Bay Women's Post and the Lake Merritt Post will be host and hostess. At this time members of the new commission will be appointed. This will be a elf-perpetuating board with two new members elected each year and is expected to expedite management of district affairs which in the past have been relegated to delegates who serve for only one year and leave the district business to a new set of officers who have often had no previous contact with district affairs.

There was also considerable discussion regarding junior baseball teams but due to the fact that the season finds most of those eligible in the township, working in the fruit there is no junior baseball team here.

CORAL TO HEAR SENTENCE JULY 2

DOUGHERTY'S TOWNSHIP GARDEN

peas of good quality yet to come off and probably a later crop from the flats than was ever harvested before. The heavy losses which the pea men have taken so far this year are unfortunate and will be more or less reflected through the community. However, our great variety of crops prevents any s[illegible] failure from setting back the community as a whole.

One Sunday afternoon not so long ago we called at a farmer's home and meeting him outside inquired if he had a lot of visitors as we saw a number of [illegible] yard. "Oh no," he said, "thats just some of our cars, we own seven on this ranch." This was a ranch run entirely by the farmer and his sons without hired help.

Another afternoon we called at a larger farm. In an implement shed we counted 10 automobiles, all of which belonged to the hired men. In spite of temporary setbacks like the pea leal, it looks as though Washington Township is still a prosperous part of a great prosperous country.

FUNERAL SERVICES FOR DANIEL KING

Funeral services were held last week for Daniel C. King, 31, who succumbed to mysterious injuries received January 23, when he was found near the S. P. tracks just west of Niles. He had been in the hospital since and an inquest was held this week to determine cause of his death.

Services at the Corpus Christi church here were followed with interment at the Holy Ghost church under the direction of Pratt's mortuary. He is survived by his parents, Mr. and Mrs. Marion King and the following brothers and sisters: Mrs. Viola Martin, Mrs. Margaret Souza, Mrs. Clara Fontes, Mrs. Emma Faria, Mrs. Mary King, Alfred and Henry King. He was the brother of the late Ida King and was a native of California. Services were held from the late home at 110 Hillside avenue, Niles.

PATROLS HEAR OF AVIATION

Junior Traffic Patrol boys of Southern Alameda County were taken to the Livermore Airport recently where Captain George Richards, formerly of Niles and now aviation instructor of San Francisco schools, addressed them on the possibilities of aviation as a career for boys. He gave 45 minutes of stunts and autographed souvenir cards for the boys who were permitted to inspect his ship.

Preceding the stunting at the airport, the boys gathered at the Livermore City Hall where Captain Richards spoke to them of various phases of aviatioin. He pointed out that in the past ten years of commercial aviation only 120 deaths had resulted in comparison with hundreds of fatalities caused by other means of transportation. Assisting Officer George Barron of the State Highway Patrol who arranged the trip were Chief of Police George Doten of Livermore and principals of the schools represented.
